## Higo - Micro M

### Micro M female cable connector

Z405MM P 00 H2 1000  
<https://www.higoconnector.ac-solutions.be/de/e-bike-steckverbinder/z405mmp00h21000>

## Spezifikationen

### General Characteristics

|                               |                                    |
|-------------------------------|------------------------------------|
| x_number_of_contacts_detailed | 4                                  |
| x_connector_shape_detail      | Plug                               |
| x_gender_detailed             | Female                             |
| x_color                       | BLUE                               |
| x_upper_temperature           | 80 °C                              |
| x_lower_temperature           | -25 °C                             |
| x_protection_degree           | IP67                               |
| x_locking_detailed            | Push-on (no locking)               |
| x_mating_cycles               | 50 Times                           |
| x_connector_diameter          | 5.5 mm                             |
| x_fitting_length              | 30 mm                              |
| x_cable_length                | 1000 mm                            |
| x_cable_diameter              | 3.3 mm                             |
| x_wire_section                | 4 x 0,13 mm²                       |
| x_remark                      | Other cable length/type on request |

### Micro M female cable connector

#### Electrical Parameters

|                             |                   |
|-----------------------------|-------------------|
| x Rated current             | 2 A               |
| x Rated voltage             | 48 V AC / 60 V DC |
| x Max insulation resistance | ?20 M?            |
| x Max contact resistance    | ?10 m?            |

#### Material

|                       |                  |
|-----------------------|------------------|
| x Material jacket     | TPU              |
| x Insulation wire     | PVC              |
| x Material of contact | Phosphor Bronze  |
| x Contact plating     | Gold over Nickel |
